#### Luisa Rabbia: Death&Birth

FEBRUARY 09 TO APRIL 07

Peter Blum (Blumarts Inc.)

176 Grand Street Floor 2, New York, NY  
(212) 244-6055

“Luisa Rabbia’s practice is deeply rooted in the dialectic between inner and outer space, between the phenomenological and the symbolic. Rabbia’s paintings operate on a macro and micro level, making reference to the touch and form of the human body, and depicting systems where everything is relational. Each work’s foundation is a field of deep blue acrylic on canvas, upon which colored pencil marks are intricately layered to create a glowing palette of yellow, red and violet hues. The surfaces of her paintings are a complex geography where the organic and human merge.” (media release)
